

Dream Report – Automated Report Generation

All Industries

- Aerospace
- Agricultural Products
- Automotive
- BioTech
- Building Automation Systems
- Chemicals
- Consumer Packaged Goods
- Electronics & Assembly
- Fabrics and Fibers
- Food and Beverage
- Manufacturing
- Medical and Devices
- Metals and Mining
- Military & Government
- Oil and Gas Upstream and Downstream
- Pharmaceutical
- Pulp and Paper
- Power Generation and Distribution
- Renewable Energy
- Semiconductors
- Transportation
- Water and Wastewater

All Report Types

- Alarm Reports
- Audit Trail Reports
- Batch Reports
- Compliance Reports
- Efficiency Reports
- Electronic Flow Measurement (EFM)
- Energy Audits
- Federal Regulatory Reports
- Laboratory Information Systems (LIMS)
- Manufacturing (MES) Reports
- Production Reports
- Quality Reports
- Sterilizer Validation
- State Regulatory Reports
- Thermal Uniformity Surveys (TUS)
- Water Quality (MOR)
- Wastewater Discharge (MDR)
- Web Portals and Interactive Reports**
- Microsoft Excel Reports**
- CSV File Reports**
- Native PDF Reports**

All Industry Data Sources – Real-time, Alarm, History

Standards Support

- OPC DA, OPC AE, OPC HDA
- ODBC, OLE-DB
- Microsoft Excel, CSV
- MODBUS, SNMP, BACnet

Proven Schneider Connectivity

- Wonderware Intouch – Local or Remote, Intouch History Log Files (.lgh), Application Server, Wonderware DA Servers, Historical Alarm Log Database,
- IntelTrac, Citect, Ampla, Foxboro EVO Process Automation System, Eurotherm Products, Indusoft Products, Citect, Ampla and more

Dream Report Features & Benefits

- Easy to Use and Programming Free
- Designed for Industry
- Modern Technologies
- 24x7x365 Reliability
- User and Report Security
- WYSIWYG Developer Studio
- Scalable and Cost Effective
- Localized 12+ Languages
- Web Portal – Fully Interactive
- Manual Data Collection
- Email, FTP, Print
- Native PDF, File, Excel, CSV
- Over 65 Data Drivers (Data Connectors)
- Industry Standards (OPC, ODBC, OLE-DB)
- Real-time Data Connectors
- Alarm Data Connectors
- History Data Connectors
- SQL Data Connectors
- SQL Query Builder (Graphical Tool)
- CSV and Excel Data Connectors
- Sophisticated Analytics
- Batch Awareness and Statistics
- Golden Batch Comparisons
- Powerful Display Objects (Widgets)
- Bar Code Printing
- 21CFRPart11 Support
- Audit Trail
- Auto Documentation
- Project Deployment
- Template Locking (Value-Add Opportunity)
- Redundancy for Reliability
- Primary and Backup Printers

Endorsed Partner

Dream Report is a product of Ocean Data Systems that is licensed, sold, delivered and supported by Schneider Electric and its subsidiaries (Invensys, Wonderware, Eurotherm, Foxboro and Indusoft).

Dream Report delivers a wide range of connectors, many specific to the Schneider Electric range of products. In addition, Dream Report delivers a host of both standards based connectors and other proprietary connectors, making Dream Report the perfect solution to integrate data from any mix of plant floor and enterprise data sources.

Dream Report is your one solution for all report generation requirements.
